CONNECTING THE GLOBAL COMMUNITY

Internationalization, entrepreneurship, open and online are the key terms that will support and direct our determination to fulfill the objectives of Danubius University's mission, the University that **managed to connect the global community** through quality, professionalism, enthusiasm and involvement of its people: students, teachers, administrative staff and alumni.

MISSION

Danubius University promotes **knowledge and innovation** by offering a unique experience of **learning, research and development**, regardless of age, experience, knowledge level or type of training of its students and clients.

VISION

Danubius University shall be acknowledged in the area between the Black Sea and Baltic Sea as an **international university of excellence**, open and stimulating environment for **personal development and entrepreneurship**, as well as the constant exchange of ideas and values.

UNI 4-4

“The Development of the European Management System of University Qualifications and Capitalizing Informal Competences”

POSDRU contract number: 86/1.2/S/63252

Priority Axis 1- Professional Education and Training to Support the Economic Growth and the Development of the Knowledge-Based Society;
Major Area of Intervention 1.2 - QUALITY IN HIGHER EDUCATION, whose beneficiary is “Danubius” University of Galati.

Objective of the project:

to increase the efficiency and effectiveness of study programs by restructuring and improving education and training systems (in line with the demand for professional profiles on the labor market), in the context of establishing a European university consortium for the valorization of tertiary education programs

Budget: **9.690.000 lei**; Duration: 36 months
Starting date: 01.12.2010; End date: 30.11.2013

Regions: South-East, North-East, West, Bucharest-Ilfov
Counties: Galati, Bacau, Bucharest, Timis.

UNI 4-4 Results

As a result of the analysis of the entrepreneurial environment demands:

- ✓ **26 distinct study paths** (12 distinct BA programs and 14 distinct MA programs) updating or introducing into the educational offer of the Universities;
- ✓ **New qualifications** introduced in the National Register of Qualifications in Higher Education as follows: "Danubius" University of Galati: 6 qualifications, West University of Timisoara: 66 Qualifications, Romanian University of Bucharest: 8 qualifications and George Bacovia University of Bacau: 7;
- ✓ **Accreditations for new MA Programs**
- ✓ **15 courses** for the development of transversal and entrepreneurial skills in the four Romanian partner universities, attended by 363 students from the partner universities and 39 students from four supporting universities: Artifex University, Athenaeum University, Ecological University, University of Agricultural Sciences and Veterinary Medicine of Banat, Timișoara

After the completion of the project, the collaboration continued between the consortium members and there were developed and implemented new projects financed from different financing sources, starting with the national programs, POSDRU, POCU, etc. and continuing with mobility programs (Erasmus), innovation transfer (Leonardo) or research (Framework Program 7, Horizon 2020).

Also it was created the Regional Cluster Consortium of the Romanian SE Region.

DANTE

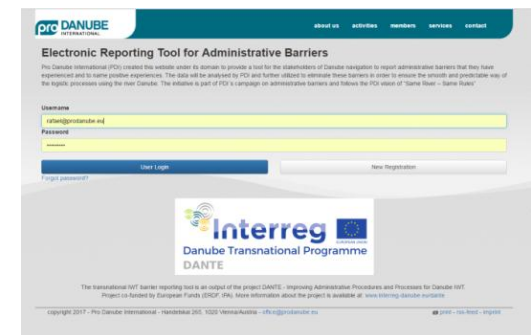

DANTE - IMPROVING ADMINISTRATIVE PROCEDURES AND PROCESSES FOR DANUBE IWT

Administrative barriers – Electronic Reporting Tool

- Objectives in line with the vision of “Same River – Same Rules”
 - To provide a tool for the stakeholders of Danube navigation:
 - » to report administrative barriers that they have experienced
 - » to name positive experiences
 - Sound database is pre-condition for putting lights on barriers
 - Will be the basis for interventions / further actions
- Characteristics:
 - Multi-language usage
 - Possibility to upload documents
 - Data security

www.prodanube.eu/administrativebarriers

Cooperation between PA1a and DANTE

- **EUSDR PA1a** provides an implementation platform for targeted measures to improve administrative processes along the Danube
 - definition of thematic priorities: currently border controls
 - work programmes & concrete measures to eliminate administrative barriers
 - working groups including public authorities, shipping sector and interest representations to monitor implementation
 - permanent consultation with the governmental stakeholders
- **DANTE** will feed PA1a with practical sector inputs by
 - identifying administrative barriers and proposing viable solutions for their elimination
 - organising and focusing the shipping sector's support for the implementation of measures
 - claiming and monitoring improvements of specific administrative processes towards public authorities including feedback on the existing procedures
 - defining the Danube IWT Administration Strategy

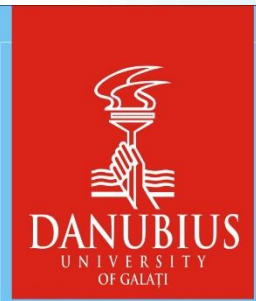

Long-term solutions for the Danube Ports Network

- **Concept for the Danube Ports Network**
 - Annual work programmes
 - Financial model
 - Business plan
- **Pilot operation of the Danube Ports Network**
- **Danube Port Development Strategy & Action Plan**

**Same River – Same Rules
DANTE & DAPhNE**

Faculty Of Economics

Master Programme

SHIPPING INTERNATIONAL
TRADE AND FINANCE

Admission: July 3 - August 1 & September 1-26, 2017

Field of study:

**Shipping International Trade
and Finance**

Form of education:

full time learning (accredited)
