services

Technology transfer

How it works: international partnerships

The Network's business database contains thousands of company profiles to find the perfect match. In addition we organise:

Matchmaking events across Europe where SMEs can meet potential business partners in person.

Company missions where we set up and prepare you for targeted international meetings with strong business prospects

How it works: advisory support

The Network's experts provide tailor-made advice

- | Practical advice on doing business in another country
- | Identifying the best market opportunities for your business
- | Information on EU laws and standards
- | Advice on intellectual property
- | Facilitating SME feedback on EU rules

Network experts in 17 Key Sectors can provide customized support in the following areas:
